To Whom It May Concern

In accordance with the Asbestos Hazard Emergency Response Act (AHERA), accredited building inspectors have completed asbestos inspections of the Round Valley District Office, located at 940B East Maricopa Street in Springerville, Arizona. The inspections, performed on December 6-13, 2011 and August 3, 2012, were conducted in accordance with the Environmental Protection Agency's (EPA) Rule "Asbestos-Containing Materials in Schools", 40 CFT Part 763.

Samples of suspect asbestos-containing materials were collected during the inspections and were submitted to a laboratory for analysis.

A copy of the inspection report for Round Valley District Office, as well as the periodic surveillance records and the site's Management Plan are kept at the District LEA's office. An additional copy of the previously referenced documents is available during normal business hours from 8:00 a.m. to 3:00 p.m. in the Administrative Office of Round Valley Primary School.

Sincerely,

Round Valley Unified School District
